

SAFETY RULES

- 1. Masks must be on your face at all times when on playing fields.**
 - This is your first warning. If we have to warn you more than once while on the field, we will give you a choice of sitting out a game or going through this entire safety speech again.
 - If we have to warn you and go through that process more than 3 times, you will be done for the day.
 - Expect to get yelled at if you take your mask off at any time on the field. We do not apologize for this and we do not discriminate.
- 2. Barrel bags and safeties must be on at all times when off of playing fields.**
- 3. Do not take apart our equipment.**
 - If your gun is not shooting make sure you have your safety off and your tank is filled.
 - If you have any other issues with your equipment, see a staff member.
- 4. When you have been shot anywhere including your gun, yell "I'm hit!" with your arms and gun in the air.**
- 5. Fill up on air after every game or before the next game starts.**
- 6. Do not go on to any of the playing fields without a staff member.**
 - We have a 5-10 minute lag time between games, so listen for a referee or horn for the beginning of a game.
- 7. Do not pick up paintballs off the ground.**
 - This includes throwing paint, breaking them on tables, and putting them inside your hoppers. If you pick paint up off the ground and put it in your hopper the entire hopper will be dumped.
 - Paintballs that are on the ground stay on the ground.
- 8. You can only use paintballs bought at this field.**
 - Please do not shoot any paint bought from other fields or stores.
- 9. Do not shoot at wildlife, referees, airplanes, and motocross riders.**
 - If you purposely do this you will be done playing for the day.
- 10. Do not blind fire.**
 - "If you can not see where your paintballs are going, you are blind firing, so stop."
- 11. No use of drugs or alcohol. This includes the parking lot. If you are caught doing this your entire group will be done for the day and no refunds will be given.**
- 12. There are ZERO exceptions to all of these rules.**

THIS IS WHY WE

TAKE IT SERIOUSLY
